We so appreciate your support and can now share the game schedule. So many teams have entered and in an effort to accommodate all those wanting to play please note the following.

Scoresheets **MUST** be checked 30 minutes prior to your first game. No players can be added team rosters after first game

1. There will be **NO TIME OUTS** unless the referee determines a stop in play is required.
 2. No warm up time on the main rink, pre-game talks and post-game discussion can **ONLY** take place off rink. **WARM UP TIME** only on small rink - full safety gear required - share with other teams.
 3. REFEREES have been instructed to issue "Delay of Game" penalties to any team not ready to start at puck drop at the beginning of a game or at the start of the second half.
 4. Only finals require a win/loss result - in the event of a drawn game the final result will be determined by a "shoot-out" (no sudden death)
- ALL GAMES WILL BE 18 MINUTE HALVES WITH A TWO MINUTE HALFTIME**
(Note: in the event of any huge delays there will be consultation on reducing game time)

Please note the focus of the KBT 20th Anniversary Event is to provide the opportunity for teams to meet as many other teams in their grades as possible in the timeframe we have over three days.

All players need to be IHNZ registered. This is your responsibility. This event follows IHNZ Rules and Policy. A discipline panel will be convened as necessary and outcomes advised to IHNZ.
